

breakfast buffet

Hilton Wilmington/Christiana

Many menu items from our breakfast buffet are sourced locally, some even harvested in our very own Courtyard Garden. Featured on the breakfast buffet are a variety of jams and jellies from Backyard Jams & Jellies (located in Milford, DE) and flavors of Crissy Bee Honey coming from Stag Run Farm (located in Georgetown, DE). This is just naming two of several local partners. Experience the breakfast buffet to get the full effect. Below you will find our daily features. Additionally, you'll enjoy freshly sliced fruit, yogurts, meats & cheeses, and muffins, pastries, danishes, & bagels - all baked fresh daily. Last but certainly not least, indulge in our made-to-order omelet station.

*All items in green are sourced locally when in season.
