It was 1995 when Sam Calagione had his vision. His vision was quite simple: to provide original beer, original food, and original music to the area. His vision became Dogfish Head which is based in Milton, Delaware. Market Kitchen & Bar proudly features several known (and some exclusive) Spirits and Beers from Dogfish Head.

In 2011, Ron Gomes Jr. and Mike Rasmussen were introduced by a mutual friend (not knowing that each independently had plans of opening a craft distillery in Delaware). Each was approaching their dream from a different perspective; however, they quickly realized that they each shared a common passion to create the finest craft spirits with locally sourced agricultural products. This new company called Painted Stave partnered with Dogfish Head to help change legislation in Delaware, making this dream a reality. Today, Delaware is one of the most accommodating states in regard to distilling in the country.

Brandywine Branch Distillery, located in Chester County PA, is a source for some of the best local gin available! The distillery sits on eight acres of land and is adjacent to 130 acres of conserved farmland. This ultimately allows for true "Grain to Bottle" distillation.

Revivalist gin comes in many varieties. MktK&B proudly features their Botanical "Harvest" gin and their Firey Pepper Infused "Dragon Dance Gin".

At Market Kitchen & Bar our philosophy is simple. We work hard to source local beers and spirits because we believe in quality. We also believe that as climates change, our appetites and lifestyle change with each season. With this in mind, our beverage experts rotate our featured hand crafted cocktails, local craft beers, and grain to glass spirits accordingly. Our mixologists use the freshest local ingredients to create some of the most unique beverages in the area.
