

WEDDING TESTIMONIALS

Our Wedding was *absolutely amazing* the staff at the Christiana Hilton are truly amazing. From start to finish our experience with this Venue has been beautiful. We like to thank Leah for answering & returning our phone calls every time when we had even the littlest questions she was there to answer. We had been planning our wedding for over a year and to see this day come together so beautifully because of the Christiana Hilton team was everything. Our Butler for the day Mrs. Suzanne was *so professional* and such a great help with everything, if you are looking for a Venue to have your ceremony the Christiana Hilton is the place to go. Thank you everyone at the Hilton that was help in any and every way in making our day one to remember. All love from The Mason's - **Christal**

I cannot say enough great things about the Christiana Hilton! We had our wedding there on Friday, October 13, 2017. It was a *raging success!* We had a fairly large wedding of 185 people. Initially I was concerned with the spacing but the Hilton was able to accommodate us beautifully. They have the *most amazing team of people* working behind the scenes to make all your wedding dreams come true. We absolutely LOVED working with Leah. She was very hands on and attentive from our initial meeting all the way to the day of our wedding. She was never too busy to take my calls or emails. Leah always seemed very invested in our big day and never disregarded us as just another wedding. Our butler was Alfredo and he *worked incredibly hard to make sure our wedding went off without a hitch*. Everything was perfect! The food was a delight. The liquor was all top shelf. *The ballroom and hotel look fabulous with all of the recent renovations that have been done*. The wait staff and bartenders were incredibly efficient especially dealing with that large of a wedding. Weeks have passed and people are still gushing to me about how fantastic our wedding was and I have to agree with them! We are beyond pleased with everything. So if you're in the market for a place to hold your reception, please stop in and check out the Hilton. You'll be glad you did! - **Nicole**

We had the *most beautiful wedding* at the Hilton and Leah was wonderful. We had everything we wanted in our wedding *and the food was delicious*. Our guests even remarked how much food we had and that it was so good. - **Helen**

I had my wedding on 09/09/17 at the Hilton Wilm/Christiana and it was *everything I envisioned and wanted for my wedding day!* The sales manager Leah was so helpful, flexible and kept me on track during my planning. I just absolutely enjoyed working with her. The day of my wedding Alfredo was there to keep everything running smoothly without any mishaps. It was the perfect day! Their *wedding packages are super convenient and affordable* and the food is delicious!! . I would recommend everyone get married at there! - **Vanessa**

The Hilton has amazing staff, especially Leah and Alfredo. Leah helped me with everything I needed and more leading up the wedding and on the wedding weekend Leah and Alfredo were outstanding. They were such a huge help and *did everything we needed and more*. I could not have imagined the wedding going so smoothly without their help. *Not a single thing went wrong*, it was such a relief on our big day. - **Alexandria**
