

Dear Valued Guest,

As we continue to navigate the unprecedented challenges due to the novel coronavirus (COVID-19), your health and safety—and that of our team members—remains our top priority. During this period, we continue to adhere to all federal, state and local government mandates and public health authority guidelines. As a result, your stay and experience may look different during this time.

Your Guest Room

We have taken extra precautions to clean and disinfect your room prior to your arrival. Out of an abundance of caution, we will be minimizing the frequency of housekeeping services to your room during your stay. Housekeeping is available to provide stayover service on Wednesdays, Fridays, and Sundays. Should you desire stayover service, you will need to opt in by 9PM the day prior to the service by contacting the Front Desk. Stayover service consists of a refresh of the room on Wednesday, Friday and Sunday, and changing of bed sheets on Wednesday and Sunday only.
